

How to update your profile

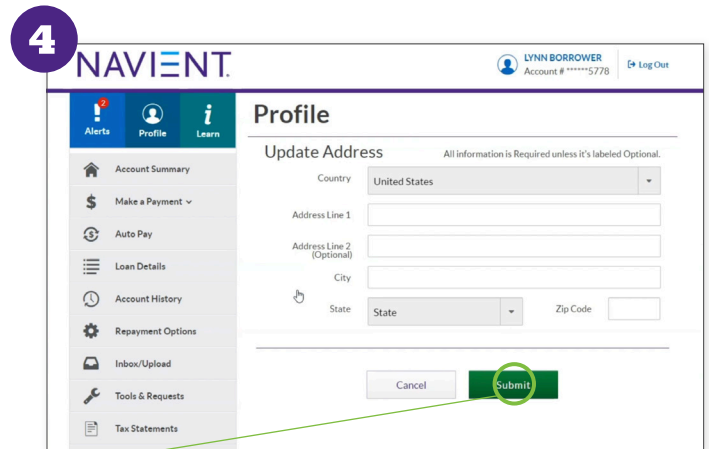

1 Click "Profile"

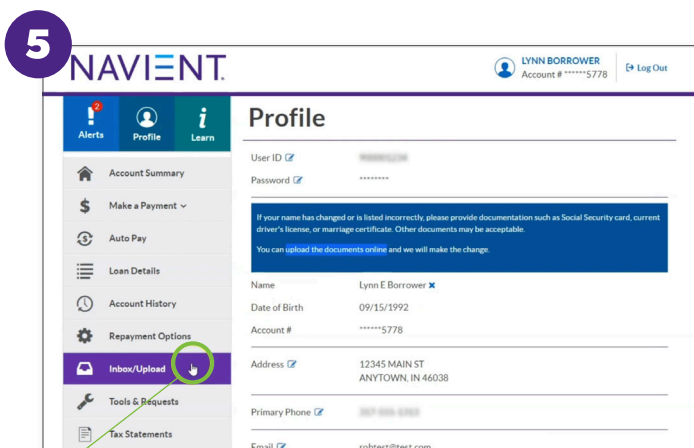

2 Select "Edit Your Profile"

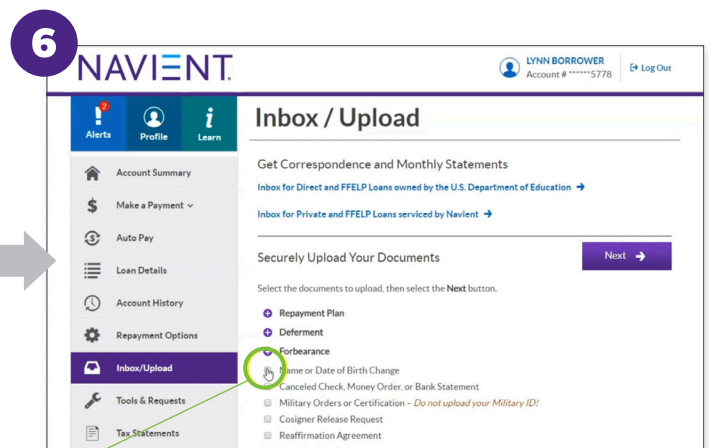

3 Click the blue edit icons to change your information

4 Remember to Click "Submit" to save your changes

5 To change your name or correct a birthdate, please upload the specified documentation

6 Select "Name or Date of Birth Change" to upload your supporting documentation

Check out our [How to upload a document](#) page for tips on that process
