

NAVIENT CORPORATION BOARD OF DIRECTORS POLICY ON RELATED PARTY TRANSACTIONS

Purpose

It is the policy of the Board of Directors of Navient Corporation (the "Corporation") that all Interested Transactions with Related Parties, as those terms are defined in this Policy, will be at arm's length and on terms generally available to an unaffiliated third-party under the same or similar circumstances.

Except for the limited exceptions set forth in this Policy, Interested Transactions with Related Parties that will exceed \$120,000 in any calendar year must receive approval of the Board of Directors prior to the Corporation entering into the Interested Transaction.

Policy

Procedure

A Related Party must promptly notify the Corporate Secretary of any material interest that the Related Party may have in a proposed Interested Transaction. The Corporate Secretary will promptly notify the Chair of the Audit Committee of such proposed Interested Transaction. The Chair of the Audit Committee will determine if approval of the Interested Transaction under this Policy is required.

If approval under this Policy is required, the Audit Committee will review the material facts of the proposed Interested Transactions and make a recommendation to the Board of Directors regarding whether to approve or disapprove entering into the Interested Transaction. The Audit Committee and the Board will take into account whether the Interested Transaction with a Related Party is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances.

No director will participate in any discussion or approval of an Interested Transaction for which he or she is a Related Party or whose immediate family member is a related party, except that the director may provide information on the Interested Transaction to the Audit Committee and the Board.
