[REVERSE OF NOTE]

This Note is one of a duly authorized issue of Notes of the Issuer, designated as its Floating Rate Class A-4 Student Loan-Backed Notes (the “Class A-4 Notes”), which, together with the Issuer’s Floating Rate Class A-1 Student Loan-Backed Notes (the “Class A-1 Notes”), Floating Rate Class A-2 Student Loan-Backed Notes (the “Class A-2 Notes”), Floating Rate Class A-3 Student Loan-Backed Notes (the “Class A-3 Notes” and, together with the Class A-1 Notes, Class A-2 Notes and Class A-4 Notes, the “Class A Notes”), and Floating Rate Class B Student Loan-Backed Notes (the “Class B Notes” and, together with the Class A Notes, the “Notes”), are issued under and secured by the Indenture, to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights and obligations thereunder of the Issuer, the Indenture Trustee, the Eligible Lender Trustee and the Noteholders. The Notes are subject to all terms of the Indenture.

The Class A-4 Notes are and will be equally and ratably secured by the Collateral pledged as security therefor as provided in the Indenture. On any Distribution Date, interest on the Class A-4 Notes will be paid *pari passu* with the other Class A Notes, and the Class A-1 Notes, the Class A-2 Notes and the Class A-3 Notes will be prior in order of principal payment to the Class A-4 Notes, up to the applicable Class A Noteholders’ Principal Distribution Amount, and then to the Class B Notes. The Class A Notes are senior to the Class B Notes, as and to the extent provided in the Indenture.

Principal of the Class A-4 Notes shall be payable on each Distribution Date in an amount described on the face hereof. “Distribution Date” means the 25th day of each January, April, July and October or, if any such date is not a Business Day, the next succeeding Business Day, commencing October 25, 2006.

As described on the face hereof, the entire unpaid principal amount of this Note shall be due and payable on the Class A-4 Maturity Date. Notwithstanding the foregoing, the entire unpaid principal amount of the Notes shall be due and payable on the date on which (i) an Event of Default shall have occurred and be continuing and (ii) the Indenture Trustee or the Noteholders representing not less than a majority of the Outstanding Amount of the Notes shall have declared the Notes to be immediately due and payable in the manner provided in Section 5.2 of the Indenture. All principal payments on the Class A-4 Notes shall be made *pro rata* to the Noteholders entitled thereto.

Interest on the Class A-4 Notes shall be payable on each Distribution Date on the principal amount outstanding of the Class A-4 Notes until the principal amount thereof is paid in full, at a rate per annum equal to the Class A-4 Rate. The “Class A-4 Rate” for each Accrual Period, other than the initial Accrual Period, shall be equal to Three-Month LIBOR as determined on the second Business Day before the beginning of that Accrual Period plus 0.148%. The interest for the initial Accrual Period shall be as set forth in the definition of Class A-4 Rate contained in Appendix A to the Indenture.

If Definitive Notes have been issued as of the applicable Record Date, then payments of interest on this Note on each Distribution Date, together with the installment of principal, if any, to the extent not in full payment of this Note, shall be made by check mailed to

the Person whose name appears as the Registered Holder of this Note (or one or more Predecessor Notes) on the Note Register on the Record Date. Such checks shall be mailed to the Person entitled thereto at the address of such Person as it appears on the Note Register as of the applicable Record Date without requiring that this Note be submitted for notation of payment, and the mailing of such check shall constitute payment of the amount thereof regardless of whether such check is returned undelivered. With respect to Notes registered on the applicable Record Date in the name of the nominee of the nominee of The Depository Trust Company (initially, such nominee to be Cede & Co.) or the European Clearing Agencies (initially, such joint nominee to be Deutsche Bank AG London), unless Definitive Notes have been issued, payments shall be made by wire transfer in immediately available funds to the account designated by such nominee. Any reduction in the principal amount of this Note (or any one or more Predecessor Notes) effected by any payments made on any Distribution Date shall be binding upon all future Noteholders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not noted hereon. If funds are expected to be available, as provided in the Indenture, for payment in full of the then remaining unpaid principal amount of this Note on a Distribution Date, then the Indenture Trustee, in the name of and on behalf of the Issuer, shall notify the Person who was the Noteholder hereof as of the preceding Record Date by notice mailed no later than five days prior to such Distribution Date and the amount then due and payable shall be payable only upon presentation and surrender of this Note at the Indenture Trustee's Corporate Trust Office or at the office of the Indenture Trustee's agent appointed for such purposes located in the Borough of Manhattan, The City of New York and/or London, England, as applicable.

The Issuer shall pay interest on overdue installments of interest on this Note at the Class A-4 Rate to the extent lawful.

This Note has not been and will not be registered or qualified under the Securities Act, any United States state securities or "blue sky" laws or any securities laws of any other jurisdiction. No offer, sale, pledge, transfer or other disposition (each, a "Transfer") of this Note, or any interest therein, shall be made unless the Transfer is made pursuant to an effective registration statement under the Securities Act or qualification under applicable state securities laws, or is made in a transaction which does not require such registration or qualification. In the event that a Transfer is made without registration or qualification, the Indenture Trustee shall require, in order to assure compliance with such laws, that the prospective transferor and transferee each certify to the Administrator and the Indenture Trustee in writing the facts surrounding the Transfer. Such certifications shall be substantially in the forms of Annex 1 and Annex 2 to Appendix A-2 to the Indenture. Such certifications shall be deemed to have been made by the transferor and transferee with respect to any Transfer of an interest in this Note if then in book-entry form. None of the Issuer, the Depositor, the Administrator, the Eligible Lender Trustee or the Indenture Trustee is obligated to register or qualify this Note under the Securities Act or any United States state securities or "Blue Sky" laws or the laws of any other jurisdiction or to take any action not otherwise required under the Indenture to permit the Transfer of this Note, or interests therein, without registration or qualification. Any Class A-4 Noteholder desiring to effect such Transfer is hereby deemed to have indemnified the Issuer, the Depositor, the Administrator, the Eligible Lender Trustee, and the Indenture Trustee against any liability that may result if the Transfer is not so exempt or is not made in accordance with such applicable federal or state laws or the laws of any other jurisdiction.

Each Noteholder or Note Owner, by acceptance of this Note or, in the case of a Note Owner, a beneficial interest in this Note, will be required, as applicable, to make certain representations and warranties as set forth in Annex 1 and Annex 2 to Appendix A-2 to the Indenture. All such required representations and warranties shall be deemed to have been made by Noteholder or Note Owner, as applicable, prior to the Transfer of any interest in this Note if then in book-entry form.

As provided in the Indenture and subject to certain limitations set forth therein, the transfer of this Note shall be registered on the Note Register upon surrender of this Note for registration of transfer at the office or agency designated by the Issuer pursuant to the Indenture, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Indenture Trustee duly executed by, the Noteholder hereof or his attorney duly authorized in writing, with such signature guaranteed by an “eligible guarantor institution” meeting the requirements of the Note Registrar, which requirements include membership or participation in Securities Transfer Agent’s Medallion Program (“STAMP”) or such other “signature guarantee program” as may be determined by the Note Registrar in addition to, or in substitution for, STAMP (all in accordance with the Exchange Act), and such other documents as the Indenture Trustee may require, and thereupon one or more new Notes of authorized denominations and in the same aggregate principal amount shall be issued to the designated transferee or transferees. No service charge will be charged for any registration of transfer or exchange of this Note, but the transferor may be required to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any such registration of transfer or exchange.

Each Noteholder or Note Owner, by acceptance of this Note or, in the case of a Note Owner, a beneficial interest in this Note, covenants and agrees that no recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer or the Indenture Trustee on the Notes or under the Indenture or any certificate or other writing delivered in connection therewith, against (i) the Indenture Trustee or the Eligible Lender Trustee in its individual capacity, (ii) any owner of a beneficial interest in the Issuer or (iii) any partner, owner, beneficiary, agent, officer, director or employee of the Indenture Trustee or the Eligible Lender Trustee in its individual capacity, any holder or owner of a beneficial interest in the Issuer, the Eligible Lender Trustee or the Indenture Trustee or of any successor or assign thereof in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Indenture Trustee and the Eligible Lender Trustee have no such obligations in their individual capacity) and except that any such partner, owner or beneficiary shall be fully liable, to the extent provided by applicable law, for any unpaid consideration for stock, unpaid capital contribution or failure to pay any installment or call owing to such entity.

Upon acquisition or transfer of this Note or a beneficial interest in this Note, as the case may be, by, for or with the assets of, a Benefit Plan, such Note Owner shall be deemed to have represented that such acquisition or purchase will not constitute or otherwise result in: (i) in the case of a Benefit Plan subject to Title I of ERISA or Section 4975 of the Code, a non-exempt prohibited transaction in violation of Section 406 of ERISA or Section 4975 of the Code which is not covered by a class or other applicable exemption and (ii) in the case of a Benefit Plan subject to a substantially similar federal, state, local or foreign law, a non-exempt violation of such substantially similar law. Any transfer found to have been made in violation of such deemed representation shall be null and void and of no effect.

Each Noteholder or Note Owner, by acceptance of this Note or, in the case of a Note Owner, a beneficial interest in this Note, covenants and agrees that by accepting the benefits of the Indenture such Noteholder or Note Owner will not at any time institute against the Depositor or the Issuer, or join in any institution against the Depositor or the Issuer of, any bankruptcy, reorganization, arrangement, insolvency, receivership or liquidation proceedings or other proceedings under any United States Federal or state bankruptcy or similar law in connection with any obligations relating to the Notes, the Indenture or the other Basic Documents.

Prior to the due presentment for registration of transfer of this Note, the Issuer, the Indenture Trustee and any agent of the Issuer or the Indenture Trustee may treat the Person in whose name this Note (as of the day of determination or as of such other date as may be specified in the Indenture) is registered as the owner hereof for all purposes whether or not this Note be overdue, and neither the Issuer, the Indenture Trustee nor any such agent shall be affected by notice to the contrary.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the rights of the Noteholders under the Indenture at any time by the Issuer with the consent of the Noteholders representing a majority of the Outstanding Amount of all Notes at the time outstanding. The Indenture also contains provisions permitting the Noteholders representing specified percentages of the Outstanding Amount of the Notes, on behalf of all the Noteholders, to waive compliance by the Issuer with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the holder of this Note (or any one or more Predecessor Notes) shall be conclusive and binding upon such holder and upon all future holders of this Note and of any Note issued upon registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Note. The Indenture also permits the Indenture Trustee to amend or waive certain terms and conditions set forth in the Indenture without the consent of holders of the Notes issued thereunder.

The term "Issuer" as used in this Note includes any successor to the Issuer under the Indenture.

The Issuer is permitted by the Indenture, under certain circumstances, to merge or consolidate, subject to the rights of the Indenture Trustee and the Noteholders under the Indenture.

The Notes are issuable only in registered form in denominations as provided in the Indenture, subject to certain limitations therein set forth.

This Note shall be construed in accordance with the laws of the State of New York, without reference to its conflict of law provisions, and the obligations, rights and remedies of the parties hereunder and thereunder shall be determined in accordance with such laws.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional,

to pay the principal of and interest on this Note at the times, place, and rate, and in the coin or currency, herein prescribed.

Anything herein to the contrary notwithstanding, except as expressly provided in the Basic Documents, neither Deutsche Bank National Trust Company, in its individual capacity, Deutsche Bank Trust Company Americas, in its individual capacity, any owner of a beneficial interest in the Issuer, nor any of their respective partners, beneficiaries, agents, officers, directors, employees or successors or assigns shall be personally liable for, nor shall recourse be had to any of them for, the payment of principal of or interest on, or performance of, or omission to perform, any of the covenants, obligations or indemnifications contained in this Note or the Indenture; it being expressly understood that said covenants, obligations and indemnifications have been made by the Eligible Lender Trustee for the sole purpose of binding the interests of the Eligible Lender Trustee in the assets of the Issuer. The Noteholder of this Note by the acceptance hereof agrees that, except as expressly provided in the Basic Documents, in the case of an Event of Default under the Indenture, the Noteholder shall have no claim against any of the foregoing for any deficiency, loss or claim therefrom; provided, however, that nothing contained herein shall be taken to prevent recourse to, and enforcement against, the assets of the Issuer for any and all liabilities, obligations and undertakings contained in the Indenture or in this Note.

This Note has not been and will not be registered or qualified under the Securities Act, any United States state securities or "blue sky" laws or any securities laws of any other jurisdiction. No offer, sale, pledge, transfer or other disposition (each, a "Transfer") of this Note, or any interest therein, shall be made unless the Transfer is made pursuant to an effective registration statement under the Securities Act or qualification under applicable state securities laws, or is made in a transaction which does not require such registration or qualification. In the event that a Transfer is made without registration or qualification, the Indenture Trustee shall require, in order to assure compliance with such laws, that the prospective transferor and transferee each certify to the Administrator and the Indenture Trustee in writing the facts surrounding the Transfer. Such certifications shall be substantially in the forms of Annex 1 and Annex 2 to Appendix A-2 to the Indenture. Such certifications shall be deemed to have been made by the transferor and transferee with respect to any Transfer of an interest in this Note if then in book-entry form. None of the Issuer, the Depositor, the Administrator, the Eligible Lender Trustee or the Indenture Trustee is obligated to register or qualify this Note under the Securities Act or any United States state securities or "Blue Sky" laws or the laws of any other jurisdiction or to take any action not otherwise required under the Indenture to permit the Transfer of this Note, or interests therein, without registration or qualification. Any Class A-4 Noteholder desiring to effect such Transfer is hereby deemed to have indemnified the Issuer, the Depositor, the Administrator, the Eligible Lender Trustee, and the Indenture Trustee against any liability that may result if the Transfer is not so exempt or is not made in accordance with such applicable federal or state laws or the laws of any other jurisdiction.

Each Noteholder or Note Owner, by acceptance of this Note or, in the case of a Note Owner, a beneficial interest in this Note, will be required, as applicable, to make certain representations and warranties as set forth in Annex 1 and Annex 2 to Appendix A-2 to the Indenture. All such required representations and warranties shall be deemed to have been made by Noteholder or Note Owner, as applicable, prior to the Transfer of any interest in this Note if then in book-entry form.

As provided in the Indenture and subject to certain limitations set forth therein, the transfer of this Note shall be registered on the Note Register upon surrender of this Note for registration of transfer at the office or agency designated by the Issuer pursuant to the Indenture, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Indenture Trustee duly executed by, the Noteholder hereof or his attorney duly authorized in writing, with such signature guaranteed by an “eligible guarantor institution” meeting the requirements of the Note Registrar, which requirements include membership or participation in Securities Transfer Agent’s Medallion Program (“STAMP”) or such other “signature guarantee program” as may be determined by the Note Registrar in addition to, or in substitution for, STAMP (all in accordance with the Exchange Act), and such other documents as the Indenture Trustee may require, and thereupon one or more new Notes of authorized denominations and in the same aggregate principal amount shall be issued to the designated transferee or transferees. No service charge will be charged for any registration of transfer or exchange of this Note, but the transferor may be required to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any such registration of transfer or exchange.

Each Noteholder or Note Owner, by acceptance of this Note or, in the case of a Note Owner, a beneficial interest in this Note, covenants and agrees that no recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer or the Indenture Trustee on the Notes or under the Indenture or any certificate or other writing delivered in connection therewith, against (i) the Indenture Trustee or the Eligible Lender Trustee in its individual capacity, (ii) any owner of a beneficial interest in the Issuer or (iii) any partner, owner, beneficiary, agent, officer, director or employee of the Indenture Trustee or the Eligible Lender Trustee in its individual capacity, any holder or owner of a beneficial interest in the Issuer, the Eligible Lender Trustee or the Indenture Trustee or of any successor or assign thereof in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Indenture Trustee and the Eligible Lender Trustee have no such obligations in their individual capacity) and except that any such partner, owner or beneficiary shall be fully liable, to the extent provided by applicable law, for any unpaid consideration for stock, unpaid capital contribution or failure to pay any installment or call owing to such entity.

Upon acquisition or transfer of this Note or a beneficial interest in this Note, as the case may be, by, for or with the assets of, a Benefit Plan, such Note Owner shall be deemed to have represented that such acquisition or purchase will not constitute or otherwise result in: (i) in the case of a Benefit Plan subject to Title I of ERISA or Section 4975 of the Code, a non-exempt prohibited transaction in violation of Section 406 of ERISA or Section 4975 of the Code which is not covered by a class or other applicable exemption and (ii) in the case of a Benefit Plan subject to a substantially similar federal, state, local or foreign law, a non-exempt violation of such substantially similar law. Any transfer found to have been made in violation of such deemed representation shall be null and void and of no effect.

Each Noteholder or Note Owner, by acceptance of this Note or, in the case of a Note Owner, a beneficial interest in this Note, covenants and agrees that by accepting the benefits of the Indenture such Noteholder or Note Owner will not at any time institute against the Depositor or the Issuer, or join in any institution against the Depositor or the Issuer of, any bankruptcy, reorganization, arrangement, insolvency, receivership or liquidation proceedings or other proceedings under any United States Federal or state bankruptcy or similar law in connection with any obligations relating to the Notes, the Indenture or the other Basic Documents.

Prior to the due presentment for registration of transfer of this Note, the Issuer, the Indenture Trustee and any agent of the Issuer or the Indenture Trustee may treat the Person in whose name this Note (as of the day of determination or as of such other date as may be specified in the Indenture) is registered as the owner hereof for all purposes whether or not this Note be overdue, and neither the Issuer, the Indenture Trustee nor any such agent shall be affected by notice to the contrary.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the rights of the Noteholders under the Indenture at any time by the Issuer with the consent of the Noteholders representing a majority of the Outstanding Amount of all Notes at the time outstanding. The Indenture also contains provisions permitting the Noteholders representing specified percentages of the Outstanding Amount of the Notes, on behalf of all the Noteholders, to waive compliance by the Issuer with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the holder of this Note (or any one or more Predecessor Notes) shall be conclusive and binding upon such holder and upon all future holders of this Note and of any Note issued upon registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Note. The Indenture also permits the Indenture Trustee to amend or waive certain terms and conditions set forth in the Indenture without the consent of holders of the Notes issued thereunder.

The term "Issuer" as used in this Note includes any successor to the Issuer under the Indenture.

The Issuer is permitted by the Indenture, under certain circumstances, to merge or consolidate, subject to the rights of the Indenture Trustee and the Noteholders under the Indenture.

The Notes are issuable only in registered form in denominations as provided in the Indenture, subject to certain limitations therein set forth.

This Note shall be construed in accordance with the laws of the State of New York, without reference to its conflict of law provisions, and the obligations, rights and remedies of the parties hereunder and thereunder shall be determined in accordance with such laws.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional,

to pay the principal of and interest on this Note at the times, place, and rate, and in the coin or currency, herein prescribed.

Anything herein to the contrary notwithstanding, except as expressly provided in the Basic Documents, neither Deutsche Bank National Trust Company, in its individual capacity, Deutsche Bank Trust Company Americas, in its individual capacity, any owner of a beneficial interest in the Issuer, nor any of their respective partners, beneficiaries, agents, officers, directors, employees or successors or assigns shall be personally liable for, nor shall recourse be had to any of them for, the payment of principal of or interest on, or performance of, or omission to perform, any of the covenants, obligations or indemnifications contained in this Note or the Indenture; it being expressly understood that said covenants, obligations and indemnifications have been made by the Eligible Lender Trustee for the sole purpose of binding the interests of the Eligible Lender Trustee in the assets of the Issuer. The Noteholder of this Note by the acceptance hereof agrees that, except as expressly provided in the Basic Documents, in the case of an Event of Default under the Indenture, the Noteholder shall have no claim against any of the foregoing for any deficiency, loss or claim therefrom; provided, however, that nothing contained herein shall be taken to prevent recourse to, and enforcement against, the assets of the Issuer for any and all liabilities, obligations and undertakings contained in the Indenture or in this Note.
